

NEW PALM GROVE POOL AREA

## THE REBIRTH OF A LEGEND

More than forty years after her doors first opened, the iconic ‘Grande Dame’ of Mauritius is taking a little time out to undergo a transformation that will enhance all we have loved about her, and deliver more than we ever imagined she could. From brand-new restaurants and inspired dining concepts, to revolutionary inside-out living quarters, and jaw-dropping public spaces, she’s set to re-define ultra-luxury living in Mauritius just as she did all those years ago. What she’ll retain, are those irreplaceable assets; the famously generous hospitality of longstanding staff, the exclusivity of her own private peninsula, and the unrivalled views that will make every re-imagined space worth the wait.

### PRIVATE SPACES

- 142 rooms & suites are being completely refurbished to pull mesmerising Mauritian views inside, through re-conceptualised room plans, disappearing patio doors, continuous indoor/outdoor flooring, and island-inspired colour palettes that call to the natural beauty just beyond the glass.
- Spacious marble-lined bathrooms with cascading showers and indulgent separate baths will open up to cleverly designed dressing space, where everything brought has a place, and a dedicated hair and make-up station commands your attention.
- Every room & suite will feature enhanced outdoor space, furnished with elegant yet comfortable lounges facing stunning ocean, beach or lagoon views.
- Guests in suites will enjoy personalized 24-hour butler service.
- Newly created 2 and 3-bedroom suites with interconnecting options offer the perfect havens for families to balance together time with personal space and privacy.
- Villa One, our secluded 2-Bedroom villa with private pool and direct access to the beach, will come alive following this contemporary refurbishment, and continue to offer unrivalled privacy and service, with dedicated staff from butlers to private chefs.
